*is as easy as*

Come in and let one of our friendly Member Service Representatives open your ECU savings and checking accounts.

Make a list of the direct deposits you have and bring the following items (if available): any automated debits, bank drafts, copies of your last bills (or complete the Bill Pay form).

Leave your old account open until all direct deposits and automatic debits have been switched. Please make sure everything has cleared your account before closing the account completely.

We want to help in any way we can,  
so if you have any questions or concerns, please contact us at
