

EDUCATION CREDIT UNION/CUMONEY® Visa® Gift Card Cardholder Agreement

This cardholder agreement (“Agreement”) sets forth the rights and responsibilities of your CUMONEY Visa Gift Card (“Card”). Your Gift Card was issued by Services Credit Union (“SCU”). ICUL Service Corporation (“LSC”) administers the CUMONEY Visa Gift Card program. In this Agreement, “you” and “your” mean the cardholder and “we” “us” and “our” mean SCU and/or LSC. This Card is not a credit union membership account, does not earn dividends, is not reloadable, and is not federally insured with the National Credit Union Administration. SCU is insured by American Share Insurance.

Any references to “days” found in this Agreement are calendar days unless indicated otherwise. Write down your Card number and the customer service phone number provided in this Agreement on a separate piece of paper in case your Card is lost, stolen, or destroyed. Keep the paper in a safe place. Please read this Agreement carefully and keep it for future reference.

Card Activation. You may begin using the Card as soon as you receive it. Your Card is already activated. If you experience difficulty when using your Card, please call us at 1-833-729-2843.

Personal Identification Number. You can visit www.cumoney.com/gift or call 1-833-729-2843 to select a four-digit Personal Identification Number (“PIN”). The PIN allows you to process your Card purchase as a debit transaction.

Cash Access. You may not use your Card to obtain cash from an Automated Teller Machine (“ATM”), Point-of-Sale (“POS”) device, or by any other means.

Loading Your Card. Your Card is non-reloadable. You may use your Card until the value of your Card reaches zero. You may obtain the value or balance of your Card by calling 1-833-729-2843 or visiting www.cumoney.com/gift.

Using Your Card. The maximum amount that can be spent on your Card per day is the balance of the Card. You may use your Card to purchase or lease goods or services in the fifty (50) United States and District of Columbia everywhere Visa debit cards are accepted as long as you do not exceed the value available on your Card. The Card may not be used outside of the United States and District of Columbia, including Internet and mail or telephone order merchants outside of the United States and District of Columbia. Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Card to the Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined if the balance is less than the total transaction.

If you use your Card at an automated fuel dispenser (“pay at the pump”), the merchant may preauthorize the transaction amount up to \$75.00 or more. If your Card is declined, even though you have sufficient funds available, pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, there may be a preauthorization of the transaction amount for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. Any preauthorization amount will place a “hold” on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount. You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. You may not make preauthorized regular payments from your Card Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days. For a list of the current hold amounts, please visit www.cumoney.com/gift.

If you use your Card number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make with your Card. Your Card cannot be redeemed for cash. You may not use your Card for online gambling or any illegal transaction. You may not use your Card for any unlawful purpose, including the purchase of goods or services prohibited by applicable laws or regulations.

Each time you use your Card, you authorize us to reduce the value available on your Card by the amount of the transaction. There is no overdraft protection with your Card. You are not allowed to exceed the available amount on your Card through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Card, you shall remain fully liable to us for the amount of the transaction.

Expiration. Your Card will expire when the “good thru” date printed on the front of your Card has passed. Your Card will expire no sooner than five (5) years from the date of purchase. The funds on the Card do not expire. You will not be able to use your Card after the expiration date; however, you may request a replacement Card at no cost to you by following the procedures in the paragraph labeled “Card Replacement”.

Card Replacement. If you need to replace your Card, please contact us at 1-833-729-2843 to request a replacement Card. You will be required to provide personal information which may include your 16-digit Card number, full name, transaction history, and other relevant information.
